Creating community spaces – Resource Furniture Library refurbishment competition

Resource Furniture are celebrating Libraries as vibrant community spaces and are seeking to encourage innovation in designing creative and welcoming library environments for all community members through sponsoring a refurbishment competition. The competition has been endorsed by Public Libraries SA.

The exciting opportunity exists for Public Libraries in South Australia to enter a competition sponsored by Resource Furniture with the chance to win Resource Furniture Library products to the value of \$5000. The competition requires a contribution from the winning entrant of \$7,000 or higher towards the refurbishment project. The competition provides libraries with an opportunity to secure additional funding towards a planned refurbishment project.

The prize will be awarded to the library which submits concept designs that demonstrate creativity and innovation in developing a vibrant and welcoming community space and which deliver significant community benefits.

Support available in developing concept designs

Resource Furniture Account Managers & Designers are available to work with library staff in the development of concept designs. Account Managers & Designers will provide advice on costs, colour schemes, layout and available products.

A comprehensive product range is available from Resource Furniture website – www.resourcefurniture.com.au or alternatively the participants can visit the showroom at 215 Richmond Road, Richmond. Printed catalogues are also available.

Competition closes 30 June 2010 with the winner being announced at the Public Libraries SA Awards in August 2010

Applicants will be judged by a panel comprising of representatives from Resource Furniture and the South Australian Public Library industry. The panel will be established after all applications have been submitted to avoid any potential conflict of interest.
